lloyd jones s reformed doctrine of spirit baptism the welsh minister martyn lloyd jones 1899 1981 was one of the most influential preachers of the twentieth century his preaching was grounded in his view on the baptism of the holy spirit

but his pneumatology is often seen as a departure from his reformed heritage in the power of revival. Dongjin Park explores how Lloyd Jones's preaching was kindled by his distinctly reformed view of spirit baptism by tracing Lloyd Jones's writings and sources. Park shows how Lloyd Jones's theology of spirit baptism was less an embrace of charismatic and pentecostal theology than a reappropriation of puritan emphasis on experiential faith. Lloyd Jones's revivalistic urgency fueled by the Spirit's power to ignite preaching and holy living found its spark in Calvinistic revivalism. The power of revival sheds light on Lloyd Jones and reformed theology and encourages readers to follow his example of relying on the Spirit.

Throughout history there have been certain figures who have stood the test of time and had an enduring impact on the church at large. One such person was the famed Welsh preacher Dr. Martyn Lloyd Jones. In this carefully curated collection of sermons, contemporary readers are introduced to one of the most influential pastors of the 20th century. Each sermon in this volume is preceded by a unique introduction detailing when it was preached, what Lloyd Jones was doing at the time, why the historical context gave rise to the sermon, and how its message relates to the modern world. Compiled and expertly edited by his daughter and grandson, this powerful anthology will help Christians learn from Lloyd Jones's prophetic preaching even today.

The events that transported Martyn Lloyd Jones from a glamorous Harley Street medical practice to a pastorate in an impoverished Welsh mining town make a magnificent biography. Christianity Today

Pope Theology U of Wales Bangor examines the relationship between the labor movement and the nonconformist chapels in Wales during the early 20th century and assesses the standard view of a mass shift of attention and devotion from religion to such bodies as the Union Lodge Workingman's Institute, sports, and public house. Noting the success of the 1904-05 revival, he argues that the role of the chapel has been underestimated and that it retained a significant hold on community life.
